Cordless Optical Mouse

Cordless • Mac • Optical • PC • PS/2 • USB

The smooth, maintenance-free operation of optical and the flexibility of cordless—together in one.

Get cordless freedom and optical precision in a single, simple mouse that fits comfortably in either your left or right hand. Now just about any surface within six feet of your computer can become your workspace—no mousepad required, no cords to clutter your desk, and no moving parts to clean.

- Powerful optical sensor for twice the speed and twice the accuracy of standard optical mice
- Digital radio technology for the ultimate cordless freedom
- Three customizable buttons and a scroll wheel
- WebWheel™ software to enhance Internet browsing
